MY ROOMMATES P.F.D. 98

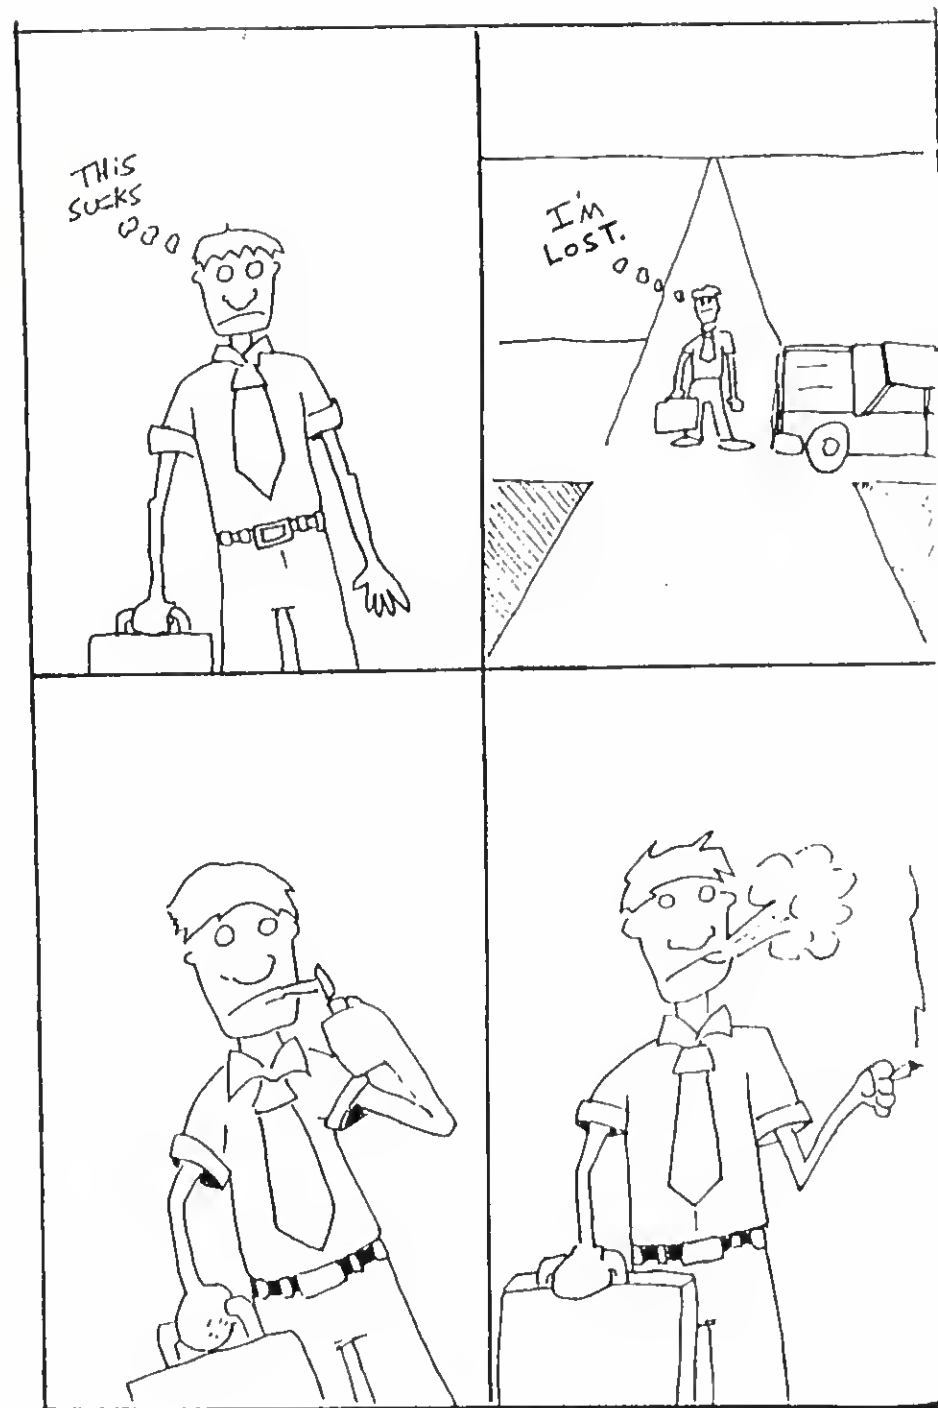

Mike Kennedy: AKA Monkey Boy
Height: 5, 10" Weight: 225 lbs.
Mike works for Earthlink, which means they own him. I see Mike once or twice a week at best. For his salary of 44,000 a year, he got a new car and no life. Hobbies include: flying into a rage, paintball and being a Irish patriot. Mike also enjoys hoarding dialies in his room- no cups should be given to him if you wish to see them again. Cool guy though.

Tom Kennedy: AKA Jock-mo
Height: 5, 9" Weight: 235 lbs.
Tom went to private school and is now taking classes at the Jr. College that I went to. Tom aspires to be an architect - which is scary because Tom destroys everything he touches. He has rolled two cars and countless appliances have fallen to his "touch". Likes Ace of Base, Steve Winwood and lifting weights to the Rocky soundtrack. Hobbies include: Football, Cardgames & starting gardening projects & not finishing them.

Pete Lirdeking: AKA: that mean guy
Height 6, 2" Weight: 280 lbs.
Pete works for a cable Co. doing shit work - he hates it. Aspires to get into comics. Pete does good work, but has been rejected so many times that he is one bitter puppy. Hobbies include: comics, playing in bands, cheeseburgers & porn. Pete is an interesting fellow and in into a lot of bizarre stuff. Truly an outcast of the outcasts. Pete does lack survival skills and many people don't like him...?

Keith Tobek II: AKA: Sunker
Height: 6, 1" Weight: 225 lbs.
Keith is currently unemployed. He used to work for Arby's and then Fatburger - lots of free food! As far as I can tell he is not looking for work and is in debt. I have to fend off the hill collectors and repo men because he ludes out during the day. Was once someone that "lud his shut together" now its anyone's guess. Hobbies include: Gaming, dodging bill collectors, and really Stinky farts. He once made a guy puke because farts stunk so bad.
